

77 DIAMONDS

LONDON

Dear customers,

You'll be pleased to know we remain open throughout the current lockdown, however, to respect health regulations, we must temporarily suspend showroom appointments from **Thursday, 5th November** through to the **2nd of December**.

The good news is we'll be offering a click-and-collect service throughout, so you can skip delivery time and pick up your purchases directly from our showrooms if you live close to either London or Manchester.

Our workshops will be operating as usual, producing beautifully handcrafted jewellery for your special moment. Our little elves are all hard at work and well-prepared for the holiday rush, so be sure to order your gifts early to ensure delivery before Christmas if you live further away.

While showrooms appointments are suspended, you can always [book an online consultation](#) instead! Our consultants will be available to guide you through your purchase, one-to-one, all from the comfort of your home. In the meantime, [you can also reach us 24/7 via phone, email or live chat](#).

If you live in Germany, please note our **Berlin and Frankfurt showrooms remain open**, and our experts will be happy to meet you for an in-store appointment.

We hope you and your loved ones are keeping safe and wish you the best of health over the festive season.

See you soon.
