

77 DIAMONDS

LONDON

Dear customers,

In keeping with UK government regulations, both our London and Manchester showrooms continue to be closed, with all face-to-face appointments suspended until the 12th of April.

As ever, we remain hopeful and believe there are better times ahead. We look forward to a time when our customers can again visit our showrooms and set eyes on the beautiful jewellery piece they have always wished for.

In the meantime, we are still very much available online. For personalised advice on your important purchase, be sure to [book an online consultation](#) with one of our experts. Our consultants will present a selection of jewellery pieces based on your specific needs, budget and preferences... All this from the comfort of your home! Have a quick question? We are also available [24/7 via phone, email and live chat](#).

We have a truly outstanding team here at 77 Diamonds who are working tirelessly to accommodate our customers needs throughout this pandemic. As ever, we will continue to provide the same level of service you are used to no matter what. Please rest assured you will receive your handcrafted items in the usual delays, just in time for your special moment.

If you live in Germany, please note our Berlin and Frankfurt showrooms are still closed and will reopen early March.

Feel free to contact us with any further queries. We look forward to seeing you again and, in the meantime, wish you the best of health and happiness.

See you soon.

Tobias Kormind
